Promotion Description

AT&T Business Local Calling Assurance Bundle #1478

Overview

The AT&T Business Local Calling Assurance Bundle promotion is scheduled to begin on 09/01/2007 and end on 12/31/2007. The AT&T Business Local Calling Assurance Bundle is a new 1-2 line promotion for Small Business subscribers. This promotion provides subscribers with a fixed rate and contains the following components:

- Business Access Line (flat rate-unlimited local calling)
- Caller ID Deluxe
- Remote Access to Call Forwarding

Promotion Specifics

- New or existing local service business line subscribers.
- Subscriber must sign the 12-month Term Agreement associated with this offer.
- The bundle includes 1 or 2 Business local calling line(s).
- Caller ID Deluxe and Remote Access to Call Forwarding on each line.
- 1 line bundle: \$40, 2 line bundle: \$80.

--In addition, Subscribers who participate in the offer will not be billed for the line connection charge associated with the service order for the local business line(s). For Subscribers coming from a Reseller where there is no line connection charge, they will not be billed for any change of service charges.

--Participation in the Program begins on the date the Subscriber commits to the Agreement and AT&T accepts by completing Subscriber's service order (unless voided by AT&T). Depending upon the Subscriber's billing cycle, the term may begin in the current month or the month following, or the billing cycle that AT&T completes the Subscriber's service order.

--Early termination charges will be assessed at \$20.00 per month for 1 Line subscribers and \$40 per month for 2 line subscribers not fulfilled. Early termination liability is not applicable if during the term a subscriber converts to another Company access or Local Usage plan under term equal to or greater than the remaining time on the original agreement.

--Early termination liability is not applicable if during the term a subscriber changes line size within these bundles as long as a new term plan is committed to.

--Unless the Subscriber notifies AT&T in writing of its intent not to renew for another like term under the Program at least 60 (sixty) days prior to expiration, then upon expiration of the initial term, the Subscriber Agreement shall automatically renew for another term for 2 (two) consecutive, separate terms. AT&T will provide written and/or verbal reminders to the Subscriber of the Subscriber Agreement expiration date and the automatic renewal provision beginning approximately 180 days prior to its expiration depending upon the Subscriber's billing cycle. If the Subscriber chooses not to renew this agreement, the subscriber's service will be changed to month to month service with the basic line(s), Caller ID Deluxe and Remote Access to Call Forwarding based on charges in applicable tariffs.

--The customer will continue to receive the Local Calling Assurance Bundle pricing after the end of the last term.

Promotion Restrictions/Eligibility Requirements

--This Program may not be used concurrently with any previous or existing local exchange service term election agreement programs or local service promotions, unless otherwise stated.

--Only one bundle per location.

--AT&T reserves the right to terminate this Program at any time; provided, however, that Subscribers participating in the Program will continue to receive this promotion for the remaining term of their Local Calling Assurance Bundle Term Agreement.

--In tariffed states, the Agreement is subject to and controlled by the provisions of BellSouth's lawfully filed tariffs and this Agreement, including any changes therein as may be made from time

to time; in detariffed or deregulated states, this Program and the Agreement is controlled by the terms set forth in the Agreement.

--Subscriber and AT&T acknowledge and agree that to the extent the services to which Subscriber subscribes under this Agreement are deregulated or detariffed, all references to "BellSouth's General Subscriber Services Tariff," "BellSouth tariffs," "BellSouth's lawfully filed tariffs," or any other references to BellSouth's tariffs on file with the appropriate regulatory authority shall be deemed references to agreed contract terms and conditions identical to those set forth in the applicable tariff for services subscribed by Subscriber as such tariffs existed as of the effective date of deregulation or detariffing. Such tariffed term and conditions are incorporated by reference as if fully included herein.
