RE: Extension for Annual Report for the Year Ended December 31, 2025

Director Cicchetti,

The Utility requests an additional 30 days extension to file the Annual Report for the Year Ended December 31, 2025. The Utility requests the additional time due to the fact that the Utility's accountant was engaged in the April 24, 2026 filing of Docket. No. 20260071-SU (Application for limited proceeding rate increase). Additionally, the Utility accountant is making the rate case adjustments (per Order No. PSC-2025-0289-PAA-SU) made during the test year and incorporating them correctly into the YE December 31, 2025 Annual Report. The additional 30 days would allow the Utility to file an accurate and complete report.

Your consideration in granting this extension would be greatly appreciated.

Respectfully Submitted,

Christopher A. Johnson
President
