Subject: **Reservation of Credits for the North Florida Resiliency Connector project**
FDEP Application Number: 12-0378587-001-E
ACOE Application Number: SAJ-2019- 02708

Mr. Luedike,

I am writing in reference to project for **North Florida Resiliency Connector project** mitigation credits. This letter confirms that San Pedro Bay Mitigation Bank under state FDEP permit number 28-261781-001-EI and USACOE Instrument No. 199505686 has thirteen and five tenths (13.5) freshwater forested credits reserved for the above project.

It is agreed that the credits will be reserved until the final permits are received. At that time the credits will be transferred. Please contact me if you need additional information.

Sincerely,

RE: St. Marks Mitigation Bank Letter of Reservation
North Florida Resiliency Connection
Permit/Application No.: 12-0378587-001-EI

Dear: Mr. Luedike

This letter serves to confirm that Westervelt Ecological Services has reserved 11.5 Cypress/Mixed Hardwoods (Palustrine Forested) mitigation credits at St. Marks Mitigation Bank for the above referenced project.

We will issue a Bill of Sale and request the modification to our official ledgers upon permit issuance and purchase. Please contact me at ksands@westervelt.com or at (850) 661-4292, if you have questions.

Respectfully,

Kelly Sands
