---

Good morning Ms. Cranmer,

I have been assigned to process your Easement Application.

In preparing your Easement I will need some additional items. I have spoken with Brad Richardson who advised me that title reviews were already done for these parcels. I will need those documents and lease numbers in order to move forward with the application process, as well as the approval letters from the Florida Forest Service.

Please provide these documents and information as soon as possible.

I look forward to working with you.

All the best,  
Angel
