**Re: Docket No. 20220049-EI: Review of Storm Protection Plan pursuant to Rule 25-6.030,
F.A.C., Florida Public Utilities Company**

Dear Mr. Teitzman:

Please accept for electronic filing in the referenced docket this Letter on behalf of Florida Public Utilities Company.

On July 13, 2022, FP&L filed its Motion to Strike Portions of the Testimony of Office of Public Counsel Witness Kollen in Docket No. 20220051-EI. Thereafter, on July 19, 2022, Duke Energy Florida ("DEF") filed a similar Motion to Strike Portions of Witness Kollen's Testimony in Docket No. 20220050-EI, followed by a similar Motion to Strike filed by TECO on July 20, 2022. The instant docket, Docket No. 20220049-EI, has been consolidated with Dockets Nos. 20220050-EI and 20220051-EI, as well as Docket No. 20220048, for purposes of hearing by Order No. 2022-0119-PCO-EI, issued March 17, 2022. While FPUC has not joined in the other electric utilities' Motions to Strike, nor does it intend to file a similar motion in this docket, FPUC does respectfully suggest that, in the event portions of Witness Kollen's testimony are stricken in Dockets Nos. 20220048-EI, 20220050-EI and 20220051-EI, the Commission should consider taking a similar approach in this Docket in order to ensure consistency and reduce confusion when the consolidated hearing takes place beginning August 2, 2022.¹

Thank you for your assistance.

Sincerely,

Beth Keating
