##### 3. Term Discount Plan (Cont'd)

(T)

###### a. General

- 4) Customers must subscribe to a two-year TDP commitment period to receive the discount. At the end of the TDP commitment period the customer may renew the TDP for another two-year TDP commitment period. If the customer does not specify renewal terms in writing 90 days prior to the expiration of the TDP, the commitment period and the discount in effect at the time of expiration will automatically be extended for 12 months. The customer can terminate service at the end of the commitment period with no penalty or obligation to continue the service.
- 5) Rate increases or decreases will automatically be applied to the monthly term plan rates for the remaining term of the TDP. If a Company initiated rate increase causes the services under the TDP to increase by 10% or more annually, then the customer may cancel the TDP without incurring termination liability charges provided the customer notifies the Company within 30 days after the effective date of the rate increase.

###### b. Termination Liability Charges

- 1) If a TDP customer disconnects any or all of the business packages subscribed to under the TDP, a termination liability charge will apply for the lines that are disconnected. The termination liability charge will be a one-time charge equal to the sum of 50% of the payments that would apply for the remainder of the TDP.
- 2) If a TDP customer retains the access line associated with a Solutions business package, but discontinues any or all of remaining features and services that are required to receive the TDP discount, no termination liability charges will apply. However, all discounts for which the customer was eligible under this TDP will cease as of the date the required service(s) and/or feature(s) is discontinued, and the monthly rate for the remaining access lines will default to the applicable tariffed monthly rate for business individual line service.

###### c. Discounts

- 1) Customers who subscribe to two or more of the business packages listed as follows will receive a 10% discount off the tariffed monthly rate for the second and each additional package at the same location. A maximum of eight packages are eligible for the discount.
