INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF

105. OBSOLETE RESIDENTIAL SERVICES

EMBARQ Calling Card Services, Operator Services and Directory Assistance are available with all OBSOLETE RESIDENTIAL SERVICES under the terms and conditions specified in Section 7 of this Tariff. Calls placed using **EMBARQ Calling Card** Services and Operator Services are charged at the applicable rates for those services in lieu of the rates specified herein for OBSOLETE RESIDENTIAL SERVICES, unless otherwise specified in the rates section for a particular Residential Product. (T)

Unless otherwise noted herein, Message Telecommunications Services (except **Basic MTS** Service) are available only to a maximum of two residential phone lines, per location and calls are billed in one minute increments (fractional calls are rounded up to the next minute). (T)

105.1 Legacy Message Telecommunications Service (MTS)

Legacy Message Telecommunications Services are grandfathered by the Company as of April 29, 2006, and are only available to existing customers. Residential services available to new customers are located in Section 5 of this tariff.

105.1.1 Basic MTS Service (T)

Basic MTS Service is an intercity service which is available for use by subscribers twenty-four (24) hours a day. The subscriber will use one or more of the three following dialing patterns to gain access to the Company's fiber optic network: (T)

- (1) In Feature Group D (FGD) exchanges, subscriber's telephone line(s) presubscribed to the Company are programmed by the local exchange company (LEC) to automatically route "1+" calls to the Company's network.
- (2) Customers who have selected the Company as their "secondary" interexchange long distance carrier dial "1010XXX+" to access the Company's network. This dialing procedure would also be used by **Embarq** Casual Caller customers (LEC billed). (T)
- (3) In some LATAs, in areas where equal access conversion has not yet occurred, some **Basic MTS** Service subscribers dial an access number and authorization code to gain access to the Company's network. (T)

INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF**105. OBSOLETE RESIDENTIAL SERVICES (Continued)****105.1 Legacy Message Telecommunications Service (MTS) (Continued)****105.1.1 Basic MTS Service (Continued)**

Subscribers may originate and terminate **Basic MTS** Service as described in Section 2 of this Tariff. In the event the Company determines that provision of **Basic MTS** Dial-Up Service via a seven digit access number and authorization code imposes a significant risk of fraudulent use of its service, the Company, at its discretion, may choose not to process new orders for Dial-Up Service and/or may, after written notice, cancel existing subscribers' authorization codes. In such cases, the Company will continue to offer customers its "800" access **EMBARQ Calling Card** Service. **Basic MTS** DIAL "1" Service or the "1010XXX" access number will also be offered where equal access (FGD) is available. Subscribers who use **Basic MTS** Dial-Up Service in conjunction with automatic dialing equipment may be exempted from this requirement when the Company determines that the likelihood of fraudulent use of the service using such equipment is not significant.

Basic MTS Service is provided as the intrastate add-on service to interstate **Basic MTS** Service and, accordingly, the **Basic MTS** Service monthly recurring charge is located in the Company's interstate Residential Schedule No. 1 located at www.embarq.com/tariffs. Charges for **Basic MTS** Service are based on the distance and duration of the call, and the rate period when the call is placed. If FGD Access and/or **Basic MTS** Universal "800" Access is used, the distance will be measured from the rate center of the calling number as represented by the ANI to the rate center of the called number. If FGB Access (**Basic MTS** Dial-Up via "950" number) is used, the distance will be measured from the rate center of the "tandem location" or network site to which the FGB circuit is connected. Per-minute usage rates for **Basic MTS** Service are set forth below. Rate periods are set forth in Section 4.16 of this tariff.

Basic MTS Service is an add-on to the Company's interstate offering and, accordingly, the **Basic MTS** Service monthly recurring charge is located in the Company's interstate Residential Schedule located at www.embarq.com/tariffs.
