8. Promotional Offerings (Continued)8.6 5,000 Minutes Block of Time for PRI Promotion

Effective February 24, 2006, business customers may be eligible to receive a discounted rate for Block of Time for Small Business. To be eligible, customers must 1) subscribe to the Embarq LOC PRI Bundle or any Embarq LOC ISDN-PRI service that is not currently grandfathered; 2) subscribe to the Company's Block of Time for Small Business 5,000 Minutes option through Embarq LOC, and 3) accept billing for Block of Time for Small Business on their Embarq LOC invoice. Eligible customers will pay a flat monthly rate of \$100.00 for 5,000 domestic Dial-1 outbound interstate and intrastate minutes. This rate applies on a per bundle basis for PRI Bundle and on a per 24-channel (Primate Rate Channel) basis for ISDN-PRI. This monthly rate, which affords customers the opportunity to place interstate and intrastate calls, is identical to, and not in addition to, the monthly rate applicable for companion interstate service.

Unused block of time minutes at the end of the Customer's monthly billing cycle will not carry over to the next month. A per minute rate of \$0.04 will apply for all minutes of use beyond the 5,000 Minutes block of time. Fractional minutes for Dial-1 calls will be rounded up to the next minute.

Block of time minutes cannot be applied to EMBARQ Calling Card Service, Operator Service or international usage.

EMBARQ Calling Card Service is available but will not contribute to the 5,000 Minutes block of time. The EMBARQ Calling Card Service per minute rate is \$0.10, with a per-call Connection Fee of \$0.55. EMBARQ Calling Card per minute rates are billed in 6-second increments with a per call minimum of 18 seconds.

If a customer discontinues the service(s) that are required to receive these rates, the customer's rates will revert to the tariffed rates applicable for the **Block** of Time for Small Business 5,000 Minutes option.

Subscription to this promotion is available through July 31, 2006, unless it is changed or cancelled by the Company.

8. Promotional Offerings (Continued)8.7 Voice Solutions Rate Cap Promotion

Beginning October 15, 2006 through December 31, 2006, Voice Solutions customers may be eligible for an exemption from any rate increase(s) during the term of their Voice Solutions Term Plan Agreement. To be eligible, customers must subscribe to a 1-year or longer Term Plan Agreement, with at least a \$3,000 Minimum Annual Commitment. The Company will cap the switched outbound and inbound service usage base rates at the rates in effect when eligible customers subscribe to this promotion, for the length of the customer's Term Plan Agreement. The customer may add associated locations at any time during the Term Plan Agreement. All usage from subsequently added associated locations will be exempt from any rate increases for the remainder of the term plan. In the event of a Voice Solutions rate decrease, the customer will receive the lower rate on the first invoice following the effective date of the rate change.

This promotion does not apply to any other charges or fees, including, but not limited to, local access charges, switched data usage, International usage, EMBARQ Calling Card, features, taxes, rates or surcharges.

This promotion may be used only by the Company's Business customers for commercial use. Eligible customers must activate their initial locations by January 31, 2007.
