Payment for these calls will be expected.

- c. This service is offered to customers who request a unique, easy-to-remember, or otherwise specific (i.e., "customized") line number, providing that the exchange prefix number is not changed.
- d. When a new customer assumes an existing service which includes Customized Number Service, the new customer may keep the customized number at the tariffed rate with the consent of the former customer.
- e. A Customized Number directory listing in the white pages will be provided only as a numeric listing. The customer may promote their CNS number as an alpha listing at their discretion.
- f. Existing customers who have a specific number prior to the establishment of this service will not be charged for CNS.
- g. The Company reserves and retains the right:
 - (1) To discontinue, change or reassign telephone numbers in any exchange area when it is deemed necessary or appropriate in the conduct of its business, or in accordance with the rules and procedures of the Company. Should this occur, the Company will attempt to assign another specialized number of the customer's choice without applying service charges.
 - (2) To reject any request for specialized telephone numbers and to refuse requests for specialized numbers for any reasons including, but not limited to, numbers that may in the Company's judgment, be offensive to good taste, limited central office capacity, or relocation of a central office.
 - (3) Of ownership of all telephone numbers, and prohibits the assignment of the use of a telephone number by or from any customer to another, except as otherwise provided in this Tariff.
 - (4) To assign telephone numbers in any exchange area as it deems necessary or appropriate in the conduct of its business.

- b. The Company shall not be liable to any customer for direct or indirect or consequential damages caused by a failure of service, change of number or assignment of a requested number to another customer whether prior to, or after establishment of service. In no case, shall the Company be liable to any person, firm, or corporation for an amount greater than such person, firm, or corporation has actually paid to the Company for the Customized Number Service.
