SECTION 2 – RULES AND REGULATIONS (Cont.)

2.12

Individual Case Basis (ICB) Arrangements

Rates, terms or conditions for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this tariff. Rates, terms or conditions quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis. The Company may also enter into ICB arrangements in response to a Customer request for special arrangements which may include engineering, installation, construction, facilities, assembly, purchase or lease of facilities, and/or other special services not otherwise offered under this tariff. Company, at its option, may provide the requested services. Appropriate recurring and/or non-recurring charges will be developed accordingly.
