Re: Granite Telecommunications, LLC, Advice Letter No. 5

Dear Ms. Salak:

Enclosed for filing with the Florida Public Service Commission ("Commission") are an original and one (1) copy of revised Sheets 1, 2, 4, 41, 47 through 66, 68 through 94, 97, 98, and original Sheets 61.1, 92.1, and 94.1 for incorporation into Granite Telecommunications, LLC's ("Granite") local exchange services price list, Florida P.S.C. Service Schedule No. 1.

With this filing, Granite increases and decreases certain rates for existing service offerings and also adds new service offerings for existing service areas throughout the price list, consistent with amendments made by Granite's underlying incumbent local exchange carriers. Granite also adds new offerings for Sprint service territory at Sheet 94.1. Further, Granite redefines the Rate Groups for Alltel Service Areas at Sheets 88 through 94 and 98 in order to maintain consistency with Alltel's current Rate Group definitions.

Please date stamp the additional copy of this transmittal letter and return it in the self-addressed, postage-paid envelope provided for this purpose. Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
