**RE: TL 718, Quincy Telephone Company;
FCC Switched Access Step 3 - 2014**

Dear Ms. Salak:

Included in this submission are the following tariff pages for Quincy Telephone Company:

**General Concurrence
Section 17**

**1st Revised Sheet 1
4th Revised Sheet 19
2nd Revised Sheet 20, 22, 23
3rd Revised Sheet 21
1st Revised Sheet 53**

The purpose of this filing is to modify the Company's intrastate switched access rates and charges. The modifications are in response to the Federal Communications Commission's Report and Order and Further Notice of Proposed rulemaking, WC Docket Nos. 10-90 et al., FCC 11-161 (Released Nov 18, 2011).

Additional Switched Access rates are changing due to the Company exiting the NECA pool/tariff for interstate services, and to be in compliance with FCC Rule 51.909 (a)(4) and (a)(6) that requires companies to remain at parity for terminating intrastate and interstate switched access services. The Company will participate in the JSI tariff for interstate access services.

The effective date of the tariff change is July 1, 2014.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris Groth", with a long horizontal flourish extending to the right.
