SECTION 2 - RULES AND REGULATIONS

2.1 Application of Price Schedule

2.1.1 This price schedule contains the regulations and rates applicable to dedicated telecommunications services offered by the Company to business customers only. The services described in this price schedule are not offered to residential customers.

This price schedule applies only to the extent that services offered hereunder are used by a Customer for the purpose of originating, terminating, or completing intrastate communications between points within the State of Florida and the Customer has not entered into an agreement with the Company regulating the ICB rates, terms, conditions and charges. A communication is "intrastate" only if all points of origination and termination are located within the State.

2.2 Scope

The Company undertakes to furnish dedicated services in accordance with the terms and conditions set forth in this Price schedule except where the Company has entered into an agreement with a Customer regulating the ICB rates, terms, conditions and charges. The provision of service under this price schedule shall not create a partnership or joint venture between the Company and Customer.

2.3 Shortage of Equipment and Facilities

All service is subject to the availability of suitable facilities and where the Company can secure acceptable arrangements with underlying suppliers (for resold or other leased services). The Company may deny service, limit the length of service, or discontinue furnishing services when necessary because of the lack of acceptable transmission medium capacity, the unavailability of equipment and facilities, or because of any causes beyond its control.

2.4 Terms and Conditions

2.4.1 Service is offered on the basis of a minimum period of at least one month, 24-hours per day. For the purpose of computing charges in this Price schedule, a month is considered to have 30 days.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.4.2 Services requested by a Customer under this price schedule shall be requested on service order forms ("Service Orders") in effect from time to time that shall contain or reference this price schedule, the name of the Customer, a specific description of the service ordered and applicable bandwidth, the requested start date ("Requested Start Date"), the rates to be charged, the duration of the services, and the terms and conditions in this Price schedule. Customers will also be required to execute any other documents as may be reasonably requested by the Company to supplement the terms and conditions contained in this Price schedule.

2.4.3 The Company will make reasonable efforts to meet a Customer's Requested Start Date. In the event that a Requested Start Date is altered, Customer's Requested Start Date will be changed to reflect the number of days of delay or advance, as appropriate (the "Service Commencement Date").

2.4.4 The Company's standard service implementation interval for services offered on the Company's owned and operated facilities is forty-five (45) days from acceptance of a Service Order by the Company's Customer Care department. Such acceptance shall be indicated by the signature of a representative of such department on the Service Order. The standard service implementation interval for services offered by a third party and either partially or wholly off of the Company's owned and operated network shall be determined on an ICB. The Company shall make reasonable efforts to offer services within its standard service implementation interval or on Customer's Requested Start Date and shall not be liable to pay to the Customer any penalties or damages for Company's failure to meet such standard service implementation intervals.

2.4.5 Services shall be deemed to begin on the date the Company issues notice that service is available(the "Service Commencement Date"), unless the Company receives written notice from the Customer within two (2) business days after the Company's issuance of notice that service is available, stating that the service is in material non-compliance with applicable technical specifications.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.5 Limitations on Liability

2.5.1 Except as otherwise stated in this Section, the liability of the Company for damages arising out of either: (1) the furnishing of its services, including, but not limited to mistakes, omissions, interruptions, delays, or errors, or other defects, representatives, or use of these services or (2) the failure to furnish its service, whether caused by acts or omission, shall be limited to the extension of Outage Credits to the Customer for interruptions in service as set forth in Section 2.15 of this Price schedule.

2.5.2 Except for the extension of Outage Credits to the Customer for interruptions in service, the Company shall not be liable to a Customer or third party for any direct, indirect, special, incidental, reliance, consequential, exemplary or punitive damages, including, but not limited to, loss of revenue or profits, for any reason whatsoever, including but not limited to any act or omission, failure to perform, delay, interruption, failure to offer any service, or any failure or breakdown of facilities associated with the service.

2.5.3 The Company shall not be liable for any claims for loss or damages involving:

A. Any act or omission of: (a) the Customer; (b) any other entity furnishing service, equipment, or facilities for use in conjunction with services or facilities for use in conjunction with services or facilities offered by the Company; or (c) common carriers or warehousemen;

B. Any delay or failure of performance or equipment due to causes beyond the Company's control, including but not limited to, acts of God, fires, floods, earthquakes, hurricanes, or other catastrophes; national emergencies, insurrections, riots, wars, or other civil disturbances; strikes, lockouts, work stoppages, or other labor difficulties; criminal actions taken against the Company; unavailability, failure, or malfunction of equipment or facilities provided by the Customer or third parties; and any law, order, regulation, or other action of any governing authority or agency thereof;

C. Any unlawful or unauthorized use of the Company's facilities and services;

D. Libel, slander, invasion of privacy, or infringement of patents, trade secrets, or copyrights arising from or in connection with the transmission of communications by means of Company-provided facilities or services; or by means of the combination of Company-provided facilities or services with Customer-provided facilities or services;

SECTION 2 - RULES AND REGULATIONS (Cont'd)

E. Breach in the privacy or security of communications transmitted over the Company's facilities;

F. Changes in any of the facilities, operations or procedures of the Company that render any equipment, facilities or services provided by the Customer obsolete, or require modification or alteration of such equipment, facilities or services, or otherwise affect their use or performance, except where reasonable notice is required by the Company and is not provided to the Customer, in which event the Company's liability is limited as set forth in this Price schedule.

G. Defacement of or damage to Customer premises resulting from the furnishing of services or equipment on such premises or the installation or removal thereof;

Injury to property or injury or death to persons, including claims for payments made under Workers' Compensation law or under any plan for employee disability or death benefits, arising out of, or caused by, any act or omission of the Customer, or the construction, installation, maintenance, presence, use or removal of the Customer's facilities or equipment connected, or to be connected to the Company's facilities;

2.5.4 The Company and the Customer shall defend, indemnify and hold harmless the other against and from any and all claims for property damage, physical personal injury or wrongful death to the extent that such arises out of the gross negligence or willful misconduct of the respective indemnifying party, its employees, agents, or contractors in connection with the provision or use of service or other performance.

2.5.5 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN. THE OUTAGE CREDITS REMEDY SET FORTH IN SECTION 2.15 IS THE SOLE AND EXCLUSIVE REMEDY PROVIDED TO CUSTOMER AND IS IN LIEU OF ALL OTHER REMEDIES.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.5.6 Customers shall make all arrangements with copyright holders, music licensing organizations, performers' representatives or other parties for necessary authorizations, clearances or consents with respect to transmission contents ("Consents"). Customers shall indemnify and hold harmless the Company and Providers (as defined below) against and from any court, administrative or agency action, suit or similar proceeding, whether civil or criminal, private or public, brought against Providers arising out of or related to the contents transmitted hereunder (over Company's network or otherwise) including, but not limited to, claims, actual or alleged, relating to any violation of copyright law, export control laws, failure to procure Consents, failure to meet governmental or other technical broadcast standards, or that such transmission contents are libelous, slanderous, an invasion of privacy, pornographic, or otherwise unauthorized or illegal. Providers shall be defined to include the Company, any third party or affiliated provider, operator or maintenance/repair contractor of facilities employed in connection with the provision of services under this price schedule. The Company may terminate or restrict any transmissions over the network if, in its judgment, (a) such actions are reasonably appropriate to avoid violation of applicable law; or (b) there is a reasonable risk that criminal, civil or administrative proceedings or investigations based upon the transmission contents shall be instituted against Providers. Customer agrees not to use services for any unlawful purpose, including without limitation any use that constitutes or may constitute a violation of any local, state or federal obscenity law.

2.6 Testing and Adjusting

Upon reasonable notice, the Company may make such tests, adjustments, and inspections as may be necessary to maintain the Company's facilities in satisfactory operating condition. No interruption allowance will be credited to the Customer for the period during which the Company makes such test, adjustments, or inspections.

2.7 Provision of Equipment and Facilities

2.7.1 The Customer has sole responsibility for installation, testing and operation of facilities, services and equipment ("Customer Facilities") other than those specifically provided by the Company as part of the services described in a Service Order. In no event will the untimely installation or non-operation of Customer Facilities relieve Customer of its obligation to pay charges for service after the Service Commencement Date.

2.7.2 Any equipment provided by the Customer must be itemized on a schedule listing all such Customer-provided equipment and appended to the Service Order to which use of that equipment relates ("Customer Equipment Inventory"). The Company shall not be obligated to provide service if the Customer will be providing any of its own equipment unless and until such equipment is itemized on the applicable Customer Equipment Inventory.

7. on a temporary basis until permanent facilities are available;

8. involving abnormal costs; or

9. in advance of its normal construction.

2.9 Prohibited Uses

2.9.1 The services the Company offers shall not be used for any unlawful purpose or for any use that the Customer has not obtained all required governmental approvals, authorization, licenses, consents, and permits.

2.9.2 The Company may require applicants for service who intend to use the Company's offering for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offering complies with relevant laws and regulations, policies, orders, and decisions.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.9.3 The Company may require a Customer to immediately shut down its transmission if such transmission is causing interference to others.

2.9.4 A Customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights or obligations associated with the service without the written consent of the Company. Any such assignment or transfer of Customer's rights or obligations without such consent shall entitle the Company to terminate service, at its option, upon ten (10) days' prior written notice to Customer.

2.10 Customer Premises Provisions

2.10.1 The Customer shall provide the personnel, power, and space required to operate all facilities and associated equipment installed on the premises of the Customer.

2.10.2 The Customer shall be responsible for providing Company personnel access to premises of the Customer at any reasonable hour for the purpose of testing the facilities or equipment of the Company.

2.11 Liability of the Customer

2.11.1 The Customer will be liable for damages to the facilities of the Company and for all incidental and consequential damages caused by the negligent or intentional acts or omissions of the Customer, its officers, employees, agents, invitees, or contractors where such acts or omissions are not the direct result of the Company's negligence or intentional misconduct.

2.11.2 To the extent caused by any negligent or intentional act of the Customer as described in Section 2.11.1, preceding, the Customer shall indemnify, defend, and hold harmless the Company from and against all claims, actions, damages, liabilities, costs, and expenses, including reasonable attorneys' fees, for (1) any loss, destruction or damage to property of any third party, and (2) the death of or injury to persons, including, but not limited to, employees or invitees of either party, and (3) any liability incurred by the Company to any third party pursuant to this or any other price schedule of the Company, or otherwise, for any interruption of, interference to, or other defect in any service provided by the Company to such third party.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.12 Customer Equipment and Channels

2.12.1 Interconnection of Facilities

A. Customer provided terminating equipment such as CSUs, multiplexers, and other terminating equipment may, at the Customer's request, be provided by the Customer, at the Customer's expense. Company makes no guarantees or warranties as to the performance of Customer provided equipment.

B. In the event the Customer should desire to collocate Customer owned equipment in a facility owned (or leased) and operated by the Company for the purpose of interconnecting the Customer owned equipment with the Company's network, the Customer and Company shall enter into an ICB agreement specifying the terms and conditions relating to such colocation.

2.12.2 Inspections

The Company may, upon notification to the Customer, at a reasonable time, make such tests and inspections as may be necessary to determine that the requirements regarding the equipment and interconnections are being complied with in respect to the installation, operation and maintenance of Customer-provided equipment and in the wiring of the connection of Customer channels to Company-owned facilities.

2.13 Customer Deposits

2.13.1 General

A. To safeguard its interests, the Company may, at any time prior to or after the Service Commencement Date, require a Customer to post a deposit or irrevocable letter of credit, at the Company's option, to secure the Customer's payment for the term of the service requested.

B. When a service is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance will be refunded. Before the service is discontinued, the Company may, at its option, return the deposit or credit it to the Customer's account. If the amount of the deposit is insufficient to cover the balance due to the Customer's account, the Company retains the right to collect any amounts owing after the deposit has been applied plus any costs related to the collection of any remaining balance. Interest will not accrue on any Company-held deposits.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.13.2 Failure to Post a Deposit

Should a Customer fail to post a deposit or letter of credit as may be required by the Company within fifteen (15) days of the Company's notice of such a requirement, or should the Customer fail to abide by the terms of any letter of credit or deposit agreement, the Company may deny service prior to the Requested Service Date or terminate service after the Service Commencement Date upon thirty (30) days' notice to the Customer.

2.14 Payment Arrangements

2.14.1 Payment for Service

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer.

A. Taxes

The Customer is responsible for payment of any sales, use, gross receipts, excise, access or other local, state and federal taxes, charges, fees, or surcharges (however designated) (excluding taxes on the Company's net income) imposed on or based upon the provision, sale or use of the Company's services by Customer.

B. Universal Service Contributions

The Company shall recover from the Customer any contributions the Company is required to make as a result of the service provided to the Customer to any state or federal fund established to further universal access, telecommunications relay services, local number portability or similar government sanctioned funding mechanisms. In the event that any of the service provided to the Customer is exempt from such contribution requirements, the Customer shall provide, in a manner requested by the Company, documentation evidencing such exemption.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.14.2 Billing and Collection of Charges

The Customer is responsible for payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company.

A. Except as otherwise stated in a Service Order, non-recurring charges are billed following receipt of the service by the Customer and are due and payable within thirty (30) days after the date of the invoice ("Due Date").

B. The Company shall present invoices for Recurring Charges monthly to the Customer, in advance of the month in which service is provided, and Recurring Charges shall be due and payable with thirty (30) days after the date of the invoice ("Due Date"). When billing is based upon Customer usage, usage charges will be billed monthly for the preceding billing period.

C. When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days. Prorated charges are billed following receipt of service and are due and payable within thirty (30) days after the date of the invoice ("Due Date").

D. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the day on which the Company notifies the Customer that the service or facility is available for use.

E. The Company may make billing adjustments for a period of two (2) years after the Due Date of an invoice, or two (2) years after the date a service is rendered, whichever is later.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

F. If any portion of the payment is received by the Company after the Due Date, or if any portion of the payment is received by the Company in funds that are not immediately available upon presentment, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the date due, multiplied by a late factor. The late factor shall be the lesser of:

1) a rate of 1.5 percent per month; or

2) the highest interest rate that may be applied under State law for commercial transactions, which shall accrue from the Due Date.

2.14.3 Billing Disputes

A. General

All bills are presumed accurate, and shall be binding on the Customer unless notice of the disputed charge(s) is received by the Company within 30 days of the Due Date. For the purposes of this Section, "notice" is defined as written notice to the Company, containing sufficient documentation to investigate the dispute, including the account number under which the bill has been rendered, the date of the bill, and the specific items on the bill being disputed. Such notice may be sent to the Company by writing to: DCB Dark Fiber, LLC, 1040 Crowne Pointe Parkway, Suite 800, Atlanta, Georgia 30338.

B. Late Payment Charge

1) The undisputed portions of the bill must be paid by the Due Date to avoid assessment of a late payment charge.

2) In the event that a billing dispute is resolved by the Company in favor of the Customer, any disputed amount withheld pending resolution of the billing dispute shall not be subject to the late payment charge, and the Customer shall receive an adjustment on its next bill.

3) In the event that a billing dispute is resolved in favor of the Company, the Customer shall pay the late payment charge.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

C. Unresolved Billing Disputes

If notice of the disputed charge(s) is received by the Company within thirty (30) days of the Due Date, the Customer may take the following course of action.

1) First, the Customer may request and the Company will provide an in-depth review of the disputed amount.

2) Second, if after investigation and review by the Company, a disagreement remains as to the disputed amount, the Customer may file an appropriate complaint with:

Florida Public Service Commission
2540 Shumard Oak Blvd.
Tallahassee, FL 32399-6500
Telephone: (850) 413-6100
Toll-free (within Florida): (800) 342-3592

2.14.4 Suspension of Service for Cause

A. In the event payment in full is not received from Customer on or before thirty (30) days following the date of the invoice, the Company may suspend all or any portion of service to the Customer. The Company shall exercise this suspension by providing Customer with a minimum of ten (10) days' written notice specifying the past due amount and the services to be suspended. If Company receives the entire past due amount within the ten (10) day notice period, then Customer's service will not be suspended.

B. If only a portion of the service is initially suspended pursuant to the Company's written notice, and Customer fails to pay the specified past due amount within an additional ten (10) days after the partial suspension of service, then after the additional ten (10) day period, Company may suspend all or any additional portion of the service, with no additional written notice. Further, after the additional ten (10) day period, Company may continue suspension until such time as Customer has paid in full all charges then due, including any late fees as specified herein. Following such payment, Company shall reinstate Customer's services, subject to the Company's right to require the Customer to post a deposit or irrevocable letter of credit as specified in Section 2.13 of this price schedule.

C. Upon violation of any of the other material terms or conditions for furnishing service the Company may, by giving thirty (30) days prior notice in writing to the Customer, discontinue or suspend service without incurring any liability if such violation continues during that period.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

D. In the event of fraudulent use of the Company's network, the Company may without notice suspend or discontinue service. The Customer will be liable for all related costs. The Customer will also be responsible for payment of any reconnection charges.

E. Upon any governmental prohibition or required alteration of the services to be provided or any violation of an applicable law or regulation, the Company may immediately discontinue service without incurring any liability.

F. Upon the Company's discontinuance of service to the Customer under this Section, the Company, in addition to all other remedies that may be available to the Company at law or in equity or under any other provision of this price schedule, may declare all future monthly and other charges that would have been payable by the Customer during the remainder of the term for which such services would have otherwise been provided to the Customer to be immediately due and payable (discounted to present value at six (6) percent).

G. Except for suspension of service pursuant to Section 2.14.4(E), preceding, suspension of service shall not affect the Customer's obligation to pay for the service.

2.14.5 Ancillary Services and Charges

Any ancillary services and charges not described in this Section will be considered special requests and will be handled on an ICB.

A. Order Change Charge – Change of Service Date

If a Customer desires to change the date on which Customer has requested that service be available, other than a request to expedite service pursuant to Section 2.8.5, such change shall be subject to Company's acceptance at Company sole discretion. Such acceptance by Company may be conditioned upon Customer's payment of an Order Change Charge. Customer will also be charged for any charges incurred by the Company from third party providers as a result of Customer's request for change of service date.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

B. Order Change Charge – Change of Information in a Service Order

If a Customer requests a change to the information contained in a Service Order (other than a change of service date) prior to completion of installation of the Service, Customer may incur an Order Change Charge. No Order Change Charge will be incurred, however, if such requested change is administrative in nature (i.e., billing address, contact information, etc.).

C. Cancellation of Service Order

Customer may cancel a Service Order if Company receives the request in writing at least five days prior to the planned installation date. In such case, Company shall have the right to assess a Cancellation Charge equal to fifty percent (50%) of the monthly recurring charges for the cancelled Service plus the greater of any non-recurring costs and waived installation costs or costs reasonably incurred by Company in preparing to provide the Services. If the request to cancel is received less than five days prior to the planned installation date, Customer must pay the early charges set forth in Section 2.16.

2.15 Outage Credits for Interruptions in Service

2.15.1 General

A. An Outage Credit will be given when service is interrupted in a duration equal to or greater than six (6) hours.

B. An interruption period begins upon the earlier of the Company's actual knowledge of the interruption or the Company's receipt of notice from the Customer of the interruption. An interruption period ends when the service, facility or circuit is operative.

C. A Customer shall be entitled to an Outage Credit upon the Company's receipt of the Customer's written request for such Outage Credit.

D. The Outage Credit shall be in the amount of 1/720 of the monthly recurring charge for the service for each hour in excess of the first six (6) hours that the service is interrupted.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

E. All Outage Credits shall be credited on the Customer's next monthly invoice for the affected service.

F. The Outage Credit as set forth in this Section shall be the sole and exclusive remedy of a Customer in the event of any interruption.

2.15.2 Limitations of Outage Credits

No Outage Credit will be made for any interruption in service that is:

A. Of a duration of less than six (6) hours;

B. Caused by the Customer or others authorized by the Customer to use the service:

C. Due to scheduled maintenance where the Customer has been notified of the scheduled maintenance in advance;

E. Due to the failure of power, facilities, equipment, systems, connections, or services not provided by the Company;

F. Due to circumstances or causes beyond the control of the Company; or

G. During any period in which the Company is not given full and free access to its facilities and equipment for the purposes of investigating and correcting interruptions.

2.16 Cancellation of Service

Once the Service Commencement Date has passed and the Customer has accepted the service, the Customer must pay for the service as indicated on the Service Order through the term indicated on such Service Order, regardless of whether the Customer is actually using the service, provided that upon thirty (30) day's prior written notice, either the Customer or the Company may, without any cancellation of service liability, cancel the affected portion of any service if the Company is prohibited by governmental authority from furnishing, or the Customer is prohibited from using such portion, or if any material rate or term contained in this price schedule and relevant to the affected portion of any service is substantially changed by order of the Commission, the Federal Communications Commission, the highest court of competent jurisdiction to adjudicate the matter, or other local, state or federal government authority.

SECTION 2 - RULES AND REGULATIONS (Cont'd)
