NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Advanced Network System, Inc. (ANS) filed an application for an interexchange certificate on August 15, 1988. The application contained the required background information, however it did not include the company's proposed tariff. ANS indicated that it did not propose an intrastate tariff with its application, because it did not currently intend to offer any pure intrastate service. We require that every application to provide intrastate service must contain a tariff. Accordingly, ANS submitted its proposed tariff. After having considered the application, it appears that the Company is technically capable of providing service. Therefore, we find that it is in the public interest to grant a certificate to Advanced Network Systems, Inc. and it is our intention to grant the certificate. Interexchange carriers are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code.

Therefore, based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of Advanced Network Systems, Inc. d/b/a ANS, Inc. for a certificate of public convenience and necessity to provide intrastate interexchange telecommunications service is granted as set forth in the body of this Order. It is further

ORDERED that the effective date of the certificate is January 30, 1989, if there is no protest to this proposed agency action within the time frame set forth below.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes (1985), as amended by Chapter 87-345, Section 6, Laws of Florida (1987), to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

The action proposed herein is preliminary in nature and will not become effective or final, except as provided by Rule 25-22.029, Florida Administrative Code. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, as provided by Rule 25-22.029(4), Florida Administrative Code, in the form provided by Rule 25-22.036(7)(a) and (f), Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on January 27, 1989. In the absence of such a petition, this order shall become effective January 30, 1989 as provided by Rule 25-22.029(6), Florida Administrative Code, and as reflected in a subsequent order.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.
