ORDER AUTHORIZING INTERVENTION

BY THE COMMISSION:

By application, Cypress and Oak Villages Association (Association), by and through its President, Mr. Howard W. Clement, has requested permission to intervene in this proceeding. The Association stated in its application that its substantial interests will be affected by the proposed transfer since it is an association of approximately 700 householders residing within the service area, who will be served by Southern States subsequent to the transfer. We, therefore, find it appropriate to grant the Association intervention in this docket.

It is, therefore,

ORDERED by the Florida Public Service Commission that the Application for Intervention filed by the Cypress and Oak Villages Association is hereby granted. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to Mr. Howard W. Clement, President, Cypress and Oak Villages Association, 91 Cypress Boulevard West, Homosassa, Florida 32646.
