ORDER ESTABLISHING PREHEARING PROCEDURE AND
GRANTING MOTION TO EXTEND TESTIMONY FILING DATES

Pursuant to the complaint filed by U.S. Home Corporation (U.S. Home) regarding the demand by Aloha Utilities, Inc. (Aloha) for payment of CIAC "gross-up" amounts, this case is currently set for an administrative hearing on September 15, 1989, with a prehearing conference scheduled for August 4, 1989.

The scope of this proceeding shall be based upon the issues raised by the parties and Commission staff (Staff) during the prehearing conference, unless modified by the Commission. The hearing will be conducted according to the provisions of Chapter 120, Florida Statutes, and the rules and regulations of this Commission.

DISCOVERY

When interrogatories or requests for production are served on a party and the respondent intends to object to or ask for clarification of an interrogatory or request for production, the objection or request for clarification shall be made within ten (10) days of service of the interrogatory or request for production. This procedure is intended to reduce delay time in discovery.

PREFILED TESTIMONY AND EXHIBITS

In accordance with Rule 25-22.048, Florida Administrative Code, each party shall be required to prefile all written testimony that it intends to sponsor. Written testimony shall be typed on standard 8 1/2" x 11" transcript-quality paper, double-spaced, with 25 numbered lines, on consecutively-numbered pages, each with a sufficient left margin to allow for binding.

A copy of any prefiled exhibit sponsored by a witness shall be attached to his or her testimony and marked for identification. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing will be numbered sequentially. The pages of each exhibit shall also be numbered sequentially prior to filing with the Commission.

Motion To Extend Testimony Filing Dates

On March 24, 1989, U.S. Home filed a motion for an extension of time to prefile its direct testimony. Aloha and Staff have orally agreed to such an extension, provided that the time for prefiling their testimony be extended by a like period. Since both parties and Staff have agreed to the subject extensions of time and since such extensions will do no harm to the case schedule, the Prehearing Officer hereby grants U.S. Home's motion.

The original and 12 copies of each prehearing statement shall be filed with the Division of Records and Reporting on or before the close of business on July 14, 1989. A copy of the prehearing statement shall also be mailed to all other parties no later than its filing with the Commission.

Prehearing Conference

A prehearing conference will be held on August 4, 1989, in Room 106 of the Fletcher Building, 101 East Gaines Street, Tallahassee, Florida. The conditions of Rule 25-22.038(5)(b), Florida Administrative Code, shall be observed. Any party who fails to attend the prehearing conference, unless excused by the prehearing officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. Any party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the prehearing officer. If the prehearing officer finds that the party has acted diligently and in good faith to take a position, and further finds that the party's failure to take a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the prehearing officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.
