ORDER APPROVING CITY OF
WILLISTON'S TARIFF REVISIONS

BY THE COMMISSION:

On March 14, 1989, the City of Williston, Florida (the "City") filed for approval of its proposed electric rate tariff revisions, effective May 1, 1989. We find that the proposed revisions improve the relationship between each class' share of the revenue responsibility and each class' cost of service. In addition, we find that the purposed change to a projected purchase power cost adjustment formula will allow the City to eliminate the lag between the incurrence and the recover of such costs.

In consideration of the foregoing, we find that the City of Williston's proposed tariff revisions should be approved. Therefore, it is

ORDERED by the Florida Public Service Commission that the City of Williston's proposed tariff revisions are approved. It is further

ORDERED that this docket shall be closed after the time has run in which to file a petition for reconsideration or notice of appeal if such action is not taken.

By ORDER of the Florida Public Service Commission,
 this 6th day of JUNE, 1989.
