NOTICE OF PROPOSED AGENCY ACTIONORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

American Telecommunications Corporation d/b/a Americharge Corporation (Americharge) filed an application for an interexchange certificate on February 23, 1989. The application contained the required background information, its proposed tariff, and indicated the company would also be providing alternative operator services (AOS). After having considered the application, it appears that the Company is technically capable of providing service. Therefore, we find that it is in the public interest to grant a certificate to Americharge, and it is our intention to grant the certificate. Interexchange carriers are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, AOS providers are bound by our decisions in Docket No. 871394-TP, including, but not limited to Order No. 20489, issued December 21, 1988.

There is an additional matter that must be mentioned. During staff's investigation of this application it was discovered that Americharge began providing intrastate interexchange telecommunications service over one year prior to applying for Commission approval. This will be addressed in a separate order to show cause to be issued in this docket.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of American Telecommunications Corporation d/b/a Americharge Corporation for a certificate to provide intrastate interexchange telecommunications service and alternative operator services is granted as set forth in the body of this order. It is further
