ORDER EXTENDING THE ENERGY CONSERVATION  
LOAN TEST PROGRAM AND REAPPROVING THE  
GUARANTEED/SUBSIDIZED LOAN PRINCIPALS FOR THE  
PARTICIPATING UTILITIES/FINANCIAL INSTITUTIONS

BY THE COMMISSION:

On September 3, 1986, by Order No. 16539, this Commission approved the implementation of the Energy Conservation Loan Test Program (ECLTP), to be commenced on September 19, 1986, and to terminate on September 30, 1988. All of the approved utilities and financial institutions have requested the extension of the test program through June 30, 1990. Attachment A is a list of participating financial institutions indicating the associated utility, docket number, loan principal amount and potential exposure for the 2% guarantee and the 4% interest subsidy amounts.

We have reviewed the requests and some preliminary data from the program and find that the ECLTP should be extended through June 30, 1990. Our approval in this Order includes the loan limits found in Attachment A.

It is, therefore,

ORDERED by the Florida Public Service Commission that the requests to extend the Energy Conservation Loan Test Program to June 30, 1990, and for approval of the continued participation of these utilities and financial institutions shown in Attachment A is granted.

By ORDER of the Florida Public Service Commission,  
 this 28th day of JUNE, 1989.
