NOTICE OF PROPOSED AGENCY ACTIONORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

Litel Telecommunications Corporation filed an application for an interexchange certificate on March 15, 1989. The application contained the required background information and its proposed tariff. After having considered the application, it appears that the Company is technically capable of providing service. Therefore, we find that it is in the public interest to grant a certificate to Litel Telecommunications Corporation, and it is our intention to grant the certificate. Interexchange carriers are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the application of Litel Telecommunications Corporation for a certificate to provide intrastate interexchange telecommunications service is granted as set forth in the body of this order. It is further

ORDERED that the effective date of the certificate is July 21, 1989, if there is no protest to the proposed agency action within the time frame set forth below.

By ORDER of the Florida Public Service Commission, this 29th day of JUNE, 1989.
