ORDER GRANTING MOTIONS FOR
ADDITIONAL EXTENSION OF TIME

BY THE COMMISSION:

On December 21, 1988, we issued Order No. 20489 in this docket, which set forth the provisions and requirements which Alternative Operator Service (AOS) providers must comply with in order to provide intrastate operator services in Florida. Under the terms of the Order, the majority of its provisions were to go into effect within thirty days of the Order's issuance date. Several parties filed Motions for Reconsideration of the Order that we will address separately. Our decision in the instant Order is only intended to address certain Motions for Additional Extension of Time as detailed below.

By Order No. 20489, we directed all local exchange companies (LECs) to offer billing validation service to AOS companies, subject to terms and conditions further specified in that Order. Southern Bell Telephone and Telegraph Company (Southern Bell) was ordered to comply with our billing validation service requirements shortly after the issuance of Order No. 20489. All other LECs were given the following directive:

All other local exchange companies shall comply with our policy to provide billing validation service and data. The LECs may provide their own data base, make arrangements with another LEC, or with a third party vendor. This shall be completed by January 1, 1990, unless a company makes an appropriate showing to the Commission no later than June 1, 1989, that this requirement is overly burdensome.

On May 12, 1989, our staff sent a reminder notice to all LECs, other than Southern Bell, advising them that any showing of undue burden in implementation was to be filed no later than June 1, 1989. Shortly thereafter, on May 17, 1989, Indiantown Telephone System, Inc. filed a Motion for Extension of Time to the June 1st deadline for making this showing. Substantially similar Motions were filed on May 22, 1989, by The Florida Telephone Company and Gulf Telephone Company; on May 23, 1989, by ALLTEL Florida, Inc., Quincy Telephone Company and St. Joseph Telephone and Telegraph Company; and on May 25, 1989, by Northeast Florida Telephone Company and Vista-United Telecommunications.

Each Motion requested that the deadline for making a showing of undue burden be extended through July 14, 1989. Each company asserted that such additional time was needed to allow the company to determine if the billing validation requirements could be met and, if so, how to best do this. Each company further explained that whether our billing validation service requirement was to be met by the LEC itself or through arrangements with another LEC or a third party vendor, additional time was needed for adequate scheduling and planning. Finally, each company argued that granting such an extension would not adversely affect any party. By Order No. 21511, issued July 5, 1989, we granted these Motions and extended the deadline for making a showing of undue burden through July 14, 1989.

On July 14, 1989, each of the eight LECs listed above filed a Motion for Additional Extension of Time and requested a sixty (60) day extension to the July 14, 1989, deadline. Additionally, on July 14, 1989, Southland Telephone Company filed a Motion for Extension of Time and also requested that the July 14, 1989, deadline be extended by sixty (60) days. All nine Motions are substantially similar to, though somewhat more detailed than, the Motions we considered when we granted the extension through July 14, 1989.

Upon consideration, we find it appropriate to grant an additional extension of time. Accordingly, September 12, 1989, will be the deadline for making a showing of undue burden in meeting our billing validation service requirement for the nine above-named LECs that specifically requested such an extension through their Motions.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the Motions for Additional Extension of Time filed by ALLTEL Florida, Inc., The Florida Telephone Company, Gulf Telephone Company, Indiantown Telephone System, Inc., Northeast Florida Telephone Company, Quincy Telephone Company, St. Joseph Telephone and Telegraph Company and Vista-United Telecommunications, and the Motion for Extension of Time filed by Southland Telephone Company, are granted as set forth in the body of this Order. It is further

ORDERED that this docket shall remain open.

By ORDER of the Florida Public Service Commission, this 4th day of AUGUST, 1989.
