

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Joint application for transfer) DOCKET NO. 890127-WS
of Certificates Nos. 388-W and 332-S) ORDER NO. 21421-A
from TAMIAMI UTILITY COMPANY in Lee) ISSUED: 8-9-89
County to TAMIAMI VILLAGE UTILITY, INC.)

AMENDATORY ORDER

BY THE COMMISSION:

By Order No. 21421, issued June 20, 1989, we approved the transfer of Tamiami Utility Company's certificates and facilities to Tamiami Village Utility, Inc., and further, set a rate base for the transferor utility as of the date of transfer.

In the original Order, at page three, paragraph four, we inadvertently stated accumulated depreciation as \$103,763, instead of the correct figure of \$76,290. Further, the first sentence of paragraph five on page three of the original Order should read as follows: "Our review of the books and records show that no additional contributions-in-aid-of-construction (CIAC) has been collected since the last rate case proceeding when CIAC was set at \$103,763 and \$250,907, respectively, for water and sewer."

For purposes of clarification of the above corrections, we have attached Schedule 1 hereto.

It is, therefore,

ORDERED by the Florida Public Service Commission that Order No. 21421 is hereby amended as set forth in the body of this Order. It is further

ORDERED that Order No. 21421 is hereby affirmed in all other respects.

By Order of the Florida Public Service Commission
this 9th day of AUGUST, 1989.
