ORDER GRANTING EXTENSION OF TIME FOR FILING APPLICATION
BY JACKSONVILLE SUBURBAN UTILITIES CORPORATION

BY THE COMMISSION:

On June 27, 1989, the Commission received a request from Jacksonville Suburban Utilities Corporation (JSUC) to extend its opportunity to file an application for an amendment to its Certificates under Section 367.061, Florida Statutes (1987), arising from its 1988 notice, which will expire prior to the completion of construction. In June of 1988, JSUC began providing notice that it was seeking to expand its certificated service area in Duval County, Florida, by extending water and sewer service to a tract of land located in the vicinity of San Jose Boulevard and Holly Grove Avenue.

JSUC informs us that the developer of the land described in the notice changed his plans for the development of said land. Assuming that the plans are approved by the Florida Department of Environmental Regulation within the next few weeks, JSUC states that the construction of the extension should be completed by October 31, 1989 and the respective application filed by November 30, 1989.

The Commission has determined that JSUC would have had until June 29, 1989, to apply for an extension of its

application for an amendment to Certificates Nos. 236-W and 179-S. The request for extension of time was received by the Commission by June 27, 1989. For good cause shown, we find that the extension should be granted for a period of one hundred and eighty (180) days. JSUC is put on notice that the Commission will not grant another extension.

Based upon the foregoing, it is

ORDERED by the Florida Public Service Commission that the request by Jacksonville Suburban Utilities Corporation for an extension of time to file an application for an amendment to Certificates Nos. 236-W and 179-S is hereby granted for a period of one hundred and eighty (180) days. It is further

ORDERED that Docket No. 890827-WS be and is hereby closed.

By ORDER of the Florida Public Service Commission
this 11th day of AUGUST, 1989.
