PREHEARING OFFICER'S ORDER GRANTING
FLORIDA POWER & LIGHT COMPANY'S REQUEST
TO RESCHEDULE HEARING

On August 17, 1989, Florida Power & Light Company (FPL) filed a Request To Reschedule Hearing. The utility alleged the illness of its principal witness, Mr. C. O. Woody, as the reason for its request that presentation of evidence concerning outages of its Turkey Point nuclear units be rescheduled until September, 1989.

The issue in question was identified as Issue No. 11 in Order No. 21742, the Prehearing Order issued in this docket. FPL's request appears reasonable and there is no objection to it by the affected parties in this docket.

It is, therefore,

ORDERED that Florida Power & Light Company's Request to Reschedule Hearing is granted, and that Issue No. 11 contained in Order No. 21742 will be rescheduled. It is further

ORDERED that this matter shall be heard beginning at 9:30 a.m. on September 15, 1989, in Room 106, 101 E. Gaines Street, Tallahassee, Florida 32301.

By ORDER of Commissioner John T. Herndon, as Prehearing Officer, this 21st day of AUGUST, 1989.
