ADDITIONAL TERRITORY

BY THE COMMISSION:

On July 20, 1989, South Broward Utility, Inc. (South Broward or Utility) filed an application with the Commission to amend its Certificate No. 359-W to include additional territory in Broward County, Florida, pursuant to the provisions of Section 367.061, Florida Statutes.

On August 11, 1988, South Broward notified certificated utilities and appropriate governmental agencies in Broward County of its intention to amend its Certificate to include the territory described below. Proof of Notification has been furnished by the Utility.

Notice of the Utility's intent to extend its service area was published in the Fort Lauderdale News, a newspaper of general circulation, published in Broward County, Florida, on August 16, 23, and 30, 1988. No protests to this application were received within the prescribed time period.

The appropriate filing fee has been paid, and the Utility is ready, willing and able to provide service in the territory for which it has applied. The application has been reviewed and found to be in compliance with the statutory requirements. Accordingly, we find it is in the public interest to amend Certificate No. 359-W to include the following territory:

All that part of the Southwest 1/4 of Section 27, Township 50 South, Range 40 East, Broward County, Florida, which lies South of the new river canal.

It is, therefore,
