AND CLOSING DOCKET

BY THE COMMISSION:

Central V Utilities Corporation (Central V or Utility) has heretofore operated its water and sewer systems under the jurisdiction of the Florida Public Service Commission, providing service to certain territories in Seminole and Orange Counties, Florida.

On March 13, 1989, the City of Casselberry Utilities acquired Central V Utility Corporation. At the time of closing there were no customer deposits. Commission requirements regarding regulatory assessment fees have been met, and there are no dockets pending involving this system.

The provisions of Section 367.071, Florida Statutes, require an application for approval of sales of water and/or sewer utilities to governmental agencies, although such sales are approved as a matter of right. Subsection 367.022(2), Florida Statutes, exempts from regulation by the Commission systems owned, operated, managed, or controlled by governmental agencies.

On the basis of the foregoing, we have determined that Certificates Nos. 31-W and 198-S should be cancelled. It is, therefore,

ORDERED by the Florida Public Service Commission that the sale of Central V Utilities Corporation, 611 N. Wymore Road, Winter Park, Florida 32789, to The City of Casselberry Utilities, 95 Triplet Lake Drive, Casselberry, Florida 32707, is hereby acknowledged. It is further
