ORDER IMPOSING FINE FOR FAILURE TO COMPLY
WITH 1987 ANNUAL REPORT REQUIREMENTS

BY THE COMMISSION:

By Order No. 21400, issued June 19, 1989, this Commission required Sun Country Estates Utility, Inc. (Sun Country or the utility), to show cause why it should not be fined for failure to file its 1987 annual report, pursuant to Rule 25-30.110, Florida Administrative Code. This order provided that a failure to file a timely written response would constitute an admission of the facts alleged and a waiver of any right to a hearing. The utility did not file a response nor has it filed its 1987 annual report.

We find that Sun Country, by its failure to file any response to the above referenced order, has admitted the facts alleged therein. We further find that the utility has not filed a 1987 annual report. Under Rule 25-30.110(7), Florida Administrative Code, the standard fine for a Class C utility for failure to file an annual report is \$3.00 per day. Pursuant to Rule 25-30.110(6)(c), Florida Administrative Code, the Commission may impose greater or lesser penalties.

There is no reason known to us why fines should not be imposed upon the utility and calculated according to the Rule formula. Therefore, we find it appropriate to fine the utility. This fine should continue to accrue at the rate of \$3.00 per day until the utility files its 1987 annual report or until a maximum fine of \$2,500 is reached.

In consideration of the foregoing, it is
