ORDER CANCELLING CERTIFICATE

BY THE COMMISSION:

By Orders Nos. 21424 and 21425, issued June 22 and 23, 1989, respectively, we directed the above-referenced interexchange carriers (IXCs) to show cause in writing why they should not be fined \$10,000 each and have their Certificate of Public Convenience and Necessity canceled. Each of the subject IXCs was required to file a written response by July 12, 1989, and cautioned that a failure to respond would constitute an admission of non-compliance with our rules. No written response was received by us from any of the subject IXCs.

It appears to us that the subject IXCs are no longer providing telecommunications services in the State of Florida, with the exception of Telefind Corporation. Accordingly, we believe that their certificates are no longer required, and we will cancel these certificates. Moreover, we direct all local exchange companies and IXCs to discontinue intrastate service with the subject IXCs. In light of this action, we have elected not to impose a \$10,000 fine on each of the subject IXCs.
