In order for a hearing to occur, a request was required to be filed on or before December 1, 1989. On November 30, 1989, the Florida Waterworks Association filed, requesting a hearing. No other request for hearing was received. The Division of Water and Sewer requested that the hearing scheduled for December 11, 1989, be postponed to January 16, 1989. Mr. R.M.C. Rose, Attorney for the Waterworks Association has advised that he has no objection to the requested postponement.
