ORDER ESTABLISHING 1990 DOCKET NUMBER

BY THE COMMISSION:

In order to avoid confusion and in order to reduce administrative handling problems in this active and continuing docket on cogeneration pricing, we are establishing a new docket number for the calendar year 1990. Beginning January 2, 1990, Docket No. 890004-EU, Planning Hearings on Load Forecasts, Generation Expansion Plans, and Cogeneration Prices for Peninsular Florida's Electric Utilities, will be identified as Docket No. 900004-EU.

The establishment of a new docket number is for administrative convenience only and the Commission retains its continuing jurisdiction over matters considered in previous cogeneration pricing dockets.

New docket numbers will be used by all parties on the effective date of January 2, 1990, and thereafter. Intervenor will remain as parties to this docket unless they notify the Division of Records and Reporting in writing of their withdrawal. Additionally, all pre-filed testimony shall be in the appropriate form as outlined in Rule 25-22.048(4), Florida Administrative Code. It is, therefore,

ORDERED by the Florida Public Service Commission that beginning January 2, 1990, all matters previously the subject of Docket No. 890004-EU, shall be part of Docket No. 900004-EU. It is further

ORDERED that the Commission shall retain jurisdiction over matters considered in previous dockets in this subject.

BY ORDER of the Florida Public Service Commission, this 2nd day of JANUARY, 1990.
