ORDER GRANTING EXTENSION OF TIME
TO FILE DIRECT TESTIMONY AND EXHIBITS

On October 27, 1989, Yulee Utilities, Inc. (Yulee), General Waterworks Corporation, and Jacksonville Suburban Utilities Corporation jointly filed an objection to the notice by Sunray Utilities, Inc. (Sunray) of intent to amend water and sewer certificates in Nassau County. Docket No. 891249-WS was opened to process this matter.

Docket No. 881584-WS is an objection by Sunray and ITT to the Notice of application of Yulee for water and sewer certificates in Nassau County. By Order No. 22201, issued November 21, 1989, the hearings for both of the above dockets were ordered to be consolidated for April 12 and 13, 1990.

A preliminary conference was held on January 8, 1990. At the conference, the parties presented and discussed a settlement proposal which, if concluded, would avoid the necessity of formal hearings in the two dockets. Regarding Docket No. 891249-WS, the objecting parties indicated that they would not oppose an extension of time, to February 8, 1990, for Sunray to file its direct testimony and exhibits. Thereby, on January 11, 1990, Sunray filed a motion for extension of time to that effect.

By Order No. 22202, establishing procedure, Sunray's direct testimony and exhibits were due January 16, 1990, and the objecting parties' testimony and exhibits are due February 15, 1990. The extension of time, if granted, would not affect the parties' ability to meet any of the upcoming dates in the order establishing procedure. Therefore, the Prehearing Officer finds it appropriate to grant an extension of time, to February 8, 1990, for Sunray to file its direct testimony and exhibits in Docket No. 891249-WS.

It is, therefore,
