ORDER TO SHOW CAUSE

BY THE COMMISSION:

On June 16, 1989, while investigating an inquiry from a resident of Florida, Commission Staff received information indicating that National Communications Network, Inc., (NCN), was reselling interexchange telephone service within the State of Florida.

On May 18, 1989, Commission Staff mailed NCN a data request to which they responded on July 31, 1989. The information provided indicated that NCN was reselling interexchange telephone service within the State of Florida. On August 28, 1989, Commission Staff informed NCN that in view of its reported activities, it may need a certificate of public convenience and necessity to provide telecommunications services within Florida and attached an application and tariff information booklet to the letter.

On September 1, 1989, NCN filed an incomplete application. On September 7, 1989, Staff advised NCN that its application was incomplete and provided an additional application. On October 20, 1989 Staff reminded NCN of its failure to file an amended application as requested on September 7, 1989. On December 1, 1989, Staff received another incompleted application, which was assigned Docket No. 891343-TI.

ORDER NO. 22561  
DOCKETS NOS. 891276-TI  
PAGE 2

In view of the information outlined above, it appears that NCN is operating as a telecommunications provider within the state of Florida without the certificate required by Section 364.33, Florida Statutes, and Rule 25-24.470, Florida Administrative Code. We find that Commission Staff has presented prima facie evidence of a violation of Section 364.33, Florida Statutes, and Rule 25-24.470, Florida Administrative Code. Therefore, we find it appropriate to order NCN to show cause why it should not be fined the sum of \$5,000 for violation of Section 364.33, Florida Statutes, and Rule 25-24.470, Florida Administrative Code.

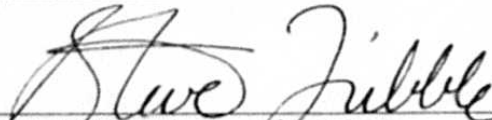

Failure to respond within 20 days of the issuance of this Order, as provided below, shall constitute an admission of the facts alleged above and a waiver of your right to be heard thereon.

Based on the foregoing, it is hereby

ORDERED by the Florida Public Service Commission that National Communications Company shall show cause in writing why it should not be fined \$5,000 for violation of Section 364.33, Florida Statutes, and Rule 25-24.470, Florida Administrative Code. It is further,

ORDERED that this Docket shall remain open pending resolution of the show cause proceedings.

By ORDER of the Florida Public Service Commission,  
this 15th day of FEBRUARY, 1990.
