ORDER SUSPENDING DATES IN ORDERS NOS. 21864 AND 22202 ESTABLISHING PROCEDURE

On October 27, 1989, Yulee Utilities, Inc. (Yulee), General Waterworks Corporation, and Jacksonville Suburban Utilities Corporation jointly filed an objection to the notice by Sunray Utilities, Inc. (Sunray) of intent to amend water and sewer certificates in Nassau County. Docket No. 891249-WS was opened to process this matter.

Docket No. 881584-WS is an objection by Sunray and ITT to the notice of application of Yulee for water and sewer certificates in Nassau County. By Order No. 22201, issued November 21, 1989, the hearings for both of the above dockets were ordered to be consolidated for April 12 and 13, 1990.

At a preliminary conference held on January 8, 1990, the parties presented and discussed a settlement proposal. On January 19, 1990, the Board of County Commissioners of Nassau County, an intervenor, withdrew its objection to Yulee's notice of application in Docket No. 881584-WS. On February 15, 1990, the remaining parties filed a joint request for approval of a proposed stipulation. Also on February 15, 1990, Sunray filed a motion to suspend the hearing schedule, having obtained the consent of all other parties. By its motion, Sunray states that the stipulation, if approved by the Commission, would dispose of all disputed issues in the two dockets.

Therefore, we find it appropriate to suspend the dates in Orders Nos. 21864 and 22202 establishing procedure, pending our

review and disposition of the proposed stipulation.
