Rule 25-22.004, F.A.C.
Docket No. 890359-TP

SUMMARY OF RULE

Rule 25-22.004 is a list of the Commission's forms. The amendment will delete reference to Form PSC/CMU 23 (CPE Monthly Sales Report) which is no longer required.

SUMMARY OF HEARINGS ON THE RULE

At the rule hearing on December 4, 1989, interested parties and Commission staff resolved that no changes were needed with regard to Rule 25-22.004. At the agenda conference held on March 6, 1990, the Commission voted to approve the hearing officer's recommendation to adopt the rule without change.

FACTS AND CIRCUMSTANCES JUSTIFYING THE RULE

The amendment of Rule 25-22.004 was needed to reflect the changes in the other rules in this docket which are made to remove language that is obsolete now that customer premises equipment and inside wire have been deregulated.
