AMMENDATORY ORDER

By Order No. 22799 the Commission approved Southern Bell Telephone and Telegraph Company's (Southern Bell's) experimental tariff proposing to implement its Market Reach Plan in the Lake Mary wire center of Southern Bell's Sanford exchange. The Commission also required Southern Bell to submit for the Commission's approval a proposal designed to measure the success of the Market Reach experiment. However, the Order inadvertently made the Commission's approval of the experimental tariff contingent upon the Commission's approval of the evaluation plan. Therefore, Order No. 22799 is hereby amended to reflect that the Commission's approval of the Market Reach experimental tariff is not contingent upon approval of the evaluation plan. However, the evaluation plan must still be submitted for our approval as set forth in Order No. 22799.

Based on the foregoing, it is hereby,

ORDERED that Order No. 22799 is amended as set forth in the body of this Order. It is further

ORDERED that Order No. 22799 is reaffirmed in all other respects.

By ORDER of the Florida Public Service Commission,
this 24th day of APRIL, 1990.
