DOCKET NO. 891345-EI
 ORDER NO. 22870
 ISSUED: 4-27-90

ORDER GRANTING JOINT MOTION FOR EXTENSION

On April 24, 1990, the Industrial Intervenors and the Office of the Public Counsel (OPC) filed a joint motion for extension of time until May 2, 1990 in which to file the testimony of Scheffel Wright and Jeffry Pollock, witnesses for OPC and the Industrial Intervenors, respectively. Both witnesses are preparing testimony in the rate design and cost of service areas. OPC and the Industrial Intervenors state as support for their request that the amount of material which must be analyzed is voluminous and that additional cost of service information has only now become available. OPC and the Industrial Intervenors have also requested that rebuttal testimony for the cost of service/rate design testimony be extended from May 15 until May 21.

Having reviewed this motion, and upon the representation that neither our Staff nor other parties to this docket have any objections to these extensions, we find that they are reasonable and hereby grant them. The filing date for the testimony of all other direct and rebuttal witnesses shall be as stated in Order No. 22750, issued on March 29, 1990. We note, however, that, barring extreme circumstances, this is the last extension which will be granted in this docket for the filing of testimony.

Therefore, it is

ORDERED by Commissioner Thomas M. Beard, Prehearing Officer, that the joint motion for extension filed by the Office of Public Counsel and the Industrial Intervenors on April 24, 1990 is hereby granted as described in the body of this order.

By Order of Commissioner Thomas M. Beard, Prehearing Officer, this 27th day of APRIL, 1990.
