ORDER GRANTING OCCIDENTAL CHEMICAL CORPORATION'S
REQUEST FOR ORAL ARGUMENT ON FLORIDA POWER CORPORATION'S
MOTION FOR RECONSIDERATION OF ORDER NO. 22401
REGARDING MARKET PRICING METHODOLOGY

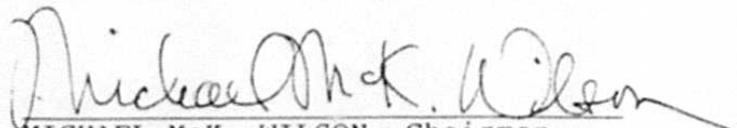

On January 25, 1990, Florida Power Corporation (FPC) moved for reconsideration of Commission Order No. 22401, "Order Approving Florida Power Corporation's Methodologies." On February 2, 1990, both the Office of Public Counsel and Occidental Chemical Corporation (OCC) filed responses to FPC's Motion for Reconsideration. Occidental also filed a cross-motion for reconsideration and a Request for Oral Argument. On February 12, 1990, FPC filed a Memorandum Contra OCC's Motion for Reconsideration.

Rule 25-22.060(1)(f), Florida Administrative Code, provides that oral argument on any pleading filed under the rule relating to motions for reconsideration are to be granted "solely at the discretion of the Commission." We find that due to the complexity of the issues involved in this docket, the Request for Oral Argument should be granted.

It is, therefore,

ORDERED that Occidental Chemical Corporation's Request for Oral Argument is hereby granted.

By ORDER of Chairman Michael McK. Wilson, as Prehearing Officer, this 4th day of MAY, 1990.
