ORDER SUSPENDING TARIFFS FILED BY
UNITED TELEPHONE COMPANY OF FLORIDA

BY THE COMMISSION:

In connection with our investigation of the earnings of United Telephone Company (United or the Company), United has requested a general rate proceeding based on a 1991 projected test year. The Company filed revisions to its General Exchange and Access tariffs as part of its minimum filing requirements. If approved, these tariffs would produce an annual revenue increase of approximately \$25,450,000. The Company has requested increases to its basic local exchange rates of approximately \$49 million, about a 33% increase, and decreases in its intrastate toll rates and its BHMOC access charge.

We have scheduled this matter for hearings in the first two weeks of October, 1990. Therefore, we find it appropriate to suspend these tariffs until we have completed those hearings and acted on the Company's request.

Based on the foregoing, it is, therefore,

ORDERED by the Florida Public Service Commission that the revisions to its General Exchange and Access Tariffs filed by
