SECOND REVISED PROCEDURAL ORDER

Order No. 22828, issued April 17, 1990, established the controlling procedural dates for this proceeding. Revised Procedural Order No. 23107, issued June 22, 1990, granted the request of Southern States Utilities, Inc. (Southern States) for a 30 day extension of time in which to file its prefiled testimony. That order also revised the schedule for the submission of all other prefiled testimony and the prehearing statements.

On July 2, 1990, Southern States filed its testimony and a Motion to Dispense with Hearing. The Office of Public Counsel filed an Objection to the Motion. An Order Denying the Motion to Dispense with Hearing was issued July 30, 1990.

On July 16, 1990, the Wedgewood Homeowners Association (Association) filed a request for a 30 day extension of time in which to file its prefiled testimony. On July 18, 1990, the Office of Public Counsel (OPC) filed a Motion for Extension of Time to file Testimony, also requesting a 30 day extension. Both the Association and OPC state that an extension of time is necessary for their completion of discovery prior to filing testimony and exhibits.

On July 26, 1990, Southern States filed a response to the requests for extension of time. Southern States' response provides that it would not object to an extension of time if the prehearing conference were rescheduled to allow for the orderly and non-prejudicial rescheduling of the other filing activities in this case, while preserving the current October 15, 1990, hearing date.

Upon consideration, I find the request for an extension of time reasonable and I will grant a 22 day extension of time in which to file prefiled testimony and make adjustments to other procedural dates as set forth below. With the consent of the Chairman, the Prehearing Conference date is also changed.
