AMENDATORY ORDER ON RECONSIDERATION

BY THE COMMISSION:

Upon review of Order No. 23234 (Order on Reconsideration) we believe that the Order may contain an ambiguity regarding fuel prices for the statewide avoided unit. In order to eliminate any ambiguity we find unequivocally that fuel prices for the statewide avoided unit shall be computed using the delivered price of fuel to the St. John's River Power Park coal units. Fuel prices shall not be computed using the delivered price to Big Bend #4 as set forth in the parameters from Staff's September 8, 1989 recommendation for a 1996 coal unit. With this exception we accept Staff's parameters as they appear on Page 2 of Order No. 23234.

By ORDER of the Florida Public Service Commission,  
this 7th day of AUGUST, 1990.
