ORDER CLOSING DOCKET

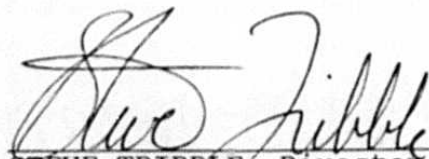

BY THE COMMISSION:

This docket was opened in May 1988 for the purpose of developing a rule on deferred income taxes consistent with the Financial Accounting Standard Board's (FASB) proposed amendments to its Statement No. 96. FASB has not yet adopted a final version of its revised Statement No. 96, and this rulemaking cannot proceed until that has been done. Because of the indefinite delay involved, we find that it would be better to close this docket to resume rulemaking at an appropriate time.

It is, therefore,

ORDERED by the Florida Public Service Commission that Docket No. 880656-PU be closed.

By ORDER of the Florida Public Service Commission this 8th day of AUGUST, 1990.
