AMENDATORY ORDER

By Order No. 23445, issued September 6, 1990, we set forth the prehearing procedures to be utilized in this docket. Attached to that Order, as Appendix "A", was a list of the issues to be addressed in this proceeding.

Shortly after issuance of Order No. 23445, it came to our attention that two of the issues shown in Appendix "A" had not been corrected to reflect the agreements reached at the informal issue identification meeting held on August 24, 1990. Accordingly, the correct wording for those two issues is set forth below.

AMENDED ISSUES

9. Should the Commission allow or require the blocking of Caller ID? If so, to whom and under what rates, terms, and conditions?
10. What special arrangements, if any, should be made regarding Caller ID for law enforcement operations and personnel?

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. 23445 is amended to the extent outlined in the body of this Order. It is further

ORDERED that Order No. 23445 is affirmed in all other respects. It is further

ORDERED that this docket shall remain open.
