ORDER MODIFYING ORDERS NOS. 23171 AND 23409

By Joint Motion for Modification (Joint Motion), filed September 17, 1990, the Office of Public Counsel (OPC), with the concurrence of Central Telephone Company of Florida (Centel), has requested that this Commission modify Interim Protective Orders Nos. 23171 and 23409 to extend the deadlines and expiration dates for each of these Orders. Specifically, OPC has requested that it be granted an extension of time, until September 21, 1990, to identify the documents covered under each of these Orders that it intends to utilize in the upcoming hearing. Centel has no objection to this request, provided that it be granted an additional three (3) weeks after September 21, 1990, until October 12, 1990, to file any requests for specified confidential classification for the documents so identified.

Upon consideration, we find it appropriate, pursuant to our authority under Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, to grant the Joint Motion. Accordingly, the documents received by OPC from Centel, as specified in Orders Nos. 23171 and 23409, shall be kept confidential and shall be exempt from public disclosure under Section 119.07(1), Florida Statutes, for the duration of this Order. By September 21, 1990, OPC shall identify documents covered by Orders Nos. 23171 and 23409 which it intends to utilize in the hearing. Centel shall file any requests for specified confidential classification for such documents no later than October 12, 1990. Orders Nos. 23171 and 23409 shall be extended through October 12, 1990. This Order shall have no effect on the subsequent determination of any request for specified confidential classification relative to the documents encompassed by this Order.

By ORDER of Chairman Michael Mck. Wilson, as Prehearing Officer, this 1st day of OCTOBER, 1990.
