AMENDATORY ORDER

BY THE COMMISSION:

By Order No. 22843, issued April 23, 1990, we established increased rates for Palm Coast Utility Corporation (Palm Coast) for water and wastewater service. Inadvertently, at page 57 of that Order, certain dollar amounts were omitted from our discussion of unamortized prior rate case expense.

On May 8, 1990, Palm Coast filed a motion for reconsideration of Order No. 22843. On May 15, 1990, the Office of Public Counsel filed a response to Palm Coast's motion for reconsideration along with its own cross motion for reconsideration.

Originally, we intended to correct the omission discussed above concurrent with our disposition of the motions for reconsideration. However, due to the passage of time and the change in Commissioners assigned to this case, we neglected to take care of it at that time. Accordingly, by this Order, we hereby amend Order No. 22843 beginning at the top of page 57 through the end of the first full paragraph, as follows:

we have made the same used and useful adjustment to the remaining portion of unamortized prior rate case expense, for a further reduction of \$7,462.

Based upon the record and our discussion above, we find that the appropriate amount of unamortized prior rate case expense for the purpose of this proceeding is \$19,575.

All other provisions of Order No. 22843 remain unaffected by this Order.

It is, therefore,

ORDERED by the Florida Public Service Commission that Order No. 22843 is hereby amended to include the dollar amounts omitted from our discussion of unamortized prior rate case expense, as set forth in the body of this Order. It is further
