ORDER CLOSING DOCKET

BY THE COMMISSION:

On March 14, 1990, the City Electric System (CES) of the Utility Board of the City of Key West filed a complaint requesting that we order Florida Keys Electric Cooperative Association (FKEC) to enter into a coordination agreement with CES under the Florida Grid Bill. On July 26, 1990, the parties executed an agreement to consider and negotiate in good faith the feasibility of entering into such a coordination agreement.

On August 14, 1990, CES filed a motion to voluntarily dismiss its complaint. Rules 25-22.035(3), Florida Administrative Code and 1.420(a)(1), Florida Rules of Civil Procedure, provide that a complainant can dismiss or withdraw his complaint at any time prior to submittal of his case to the trier of fact without approval of the court or administrative tribunal. For this reason, this docket should be closed.

Accordingly it is

ORDERED by the Florida Public Service Commission that Docket No. 900202-EU is hereby closed.
