_____ )	

ORDER ESTABLISHING 1991 DOCKET NUMBER

BY THE COMMISSION:

In order to avoid confusion and reduce administrative handling problems in these active and continuing dockets on planning, we are establishing a new docket number for the calendar year 1991. Beginning January 2, 1991, Dockets Nos. 900004-EU and 900004A-EU, Planning Hearings on Load Forecasts, Generation Expansion Plans, and Cogeneration Prices for Northwest Florida's Electric Utilities and Planning Hearings on Load Forecasts, Generation Expansion Plans, and Cogeneration Prices for Peninsular Florida's Electric Utilities shall be consolidated as a single docket, Docket No. 910004-EU.

The establishment of a new docket number is for administrative convenience only and the Commission retains its continuing jurisdiction over matters considered in previous planning dockets.

New docket numbers will be used by all parties on the effective date of January 2, 1991, and thereafter. Intervenors will remain as parties to this docket unless they notify the Division of Records and Reporting in writing of their withdrawal. Additionally, all pre-filed testimony shall be in the appropriate form as outlined in Rule 25-22.048(4), Florida Administrative Code. It is, therefore,

ORDERED by the Florida Public Service Commission that beginning January 2, 1991, all matters previously the subject of Dockets Nos. 900004-EU and 900004A-EU, shall be part of Docket No. 910004-EU. It is further

ORDERED that the Commission shall retain jurisdiction over matters considered in previous planning dockets.
