ORDER ACKNOWLEDGING WITHDRAWAL OF APPLICATION
AND CLOSING DOCKET

BY THE COMMISSION:

On August 28, 1990, ROBERT CEFAIL & ASSOCIATES AMERICAN INMATE COMMUNICATIONS, INC. (the Company) filed an application for a certificate of Public Convenience and Necessity to operate as an interexchange telephone company (IXC) with alternative operator service (AOS). At the December 18, 1990, Agenda Conference this Commission approved the Company's application to provide pay phone service. The Company filed for an AOS certificate because it intends to provide automated operator services within its pay telephone instruments.

At this time, the Commission has not made a determination whether payphone providers using store and forward phones for interLATA traffic need to be certificated as AOS carriers. Therefore, the Commission Staff notified the Company that an AOS certificate would not be necessary at this time. On November 29, 1990, pursuant to Staff's notification, the Company filed a Motion to Withdraw its Application.

We find that it is appropriate to acknowledge the Company's Motion to Withdraw its Application and to close this Docket.

Therefore, based on the foregoing, it is
