ORDER GRANTING CONFIDENTIAL TREATMENT
OF DOCUMENT NUMBER 11430-90

On December 31, 1990, Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) filed its Motion for Permanent Protective Order for Confidential Treatment of Response to Interrogatory No. 12 of Staff's First Set of Interrogatories to Southern Bell. We have assigned this material Document No. 11430-90. Southern Bell seeks confidential treatment of lines 1-4 of this document. The Motion is unopposed. The data at issue reflects the revenues and expenses associated with inside wiring for 1987, 1988, 1989, year to date through September 1990.

Southern Bell asserts that the Company keeps this information as confidential and that its disclosure would impair the unregulated competitive business of the Company. Thus, the Company argues that the material should be held confidential under Section 364.183, Florida Statutes, and we agree.

The Company also asserts that this Commission has treated inside wire information as confidential in the past. Indeed, in Order No. 23634, issued in this Docket, we held inside wire data to be entitled to the protection sought by Southern Bell in its instant motion.

Therefore, based upon the foregoing, it is

ORDERED by Commissioner Gerald L. Gunter, as Prehearing Officer that Southern Bell's Motion for Permanent Protective Order for Confidential Treatment of Document No. 11430-90 is hereby granted as set forth in the body of this Order.
