ORDER GRANTING EXTENSION OF TIME

By Proposed Agency Action Order No. 23809, issued November 27, 1990, the Commission ordered Sanlando Utilities Corporation (utility) to submit a plan detailing the actions it will take to implement water conservation initiatives. The plan was due within 90 days of the effective date of the order, which was March 18, 1991. By letter dated March 15, 1991, the utility requested an extension to June 30, 1991 to complete its plan. The utility indicated that it is still reviewing the engineering information it has received and is not yet satisfied with its proposal.

Upon consideration, we will grant the request for additional time so that the utility can present a worthwhile report for our review.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the request of Sanlando Utilities Corporation for an extension of time to June 30, 1991, to file its water conservation plan is granted. It is further

ORDERED that this docket shall remain open for Commission review of the water conservation plan.
