NOTICE OF PROPOSED AGENCY ACTION
ORDER GRANTING CERTIFICATE

BY THE COMMISSION:

Notice is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for formal proceeding pursuant to Rule 25-22.029, Florida Administrative Code.

The following companies have filed an application for an interexchange certificate:

Tiga Management Corporation, Inc.
 U.S. Osiris Corporation

The applications contained the required background information as well as the proposed tariffs, and indicated that each company would also be providing alternative operator services (AOS). After considering the applications, it appears that each company is technically capable of providing service. Therefore, we find that it is in the public interest to grant a certificate to each applicant, and it is our intention to grant such certificates. Interexchange carriers (IXCs) are subject to the provisions of Rules 25-24.455 through 25-24.495, Florida Administrative Code. Additionally, by Order No. 16804, IXCs are prohibited from constructing facilities to bypass a local exchange company without
